Mr. Jackson reported that AD/NE and AD/CI were clasing on spot estimates and that Dr. Langer had complained about the item in the Daily Bulletin on the [Redacted] operation as representing an official view of the agency. The Director commented that Dr. Langer should recognize that CI would be committing the agency to an official view in its Bulletin and that NE should take the necessary steps for coordination.

25X1

Mr. [Redacted] reported that it had been agreed that Gen. [Redacted] would take over as Director of Communications.

25X1

The Director said that a meeting of the Psychological Strategy Board should be called for Monday to meet with Gordon Gray and that Mr. Harriman should be invited to attend.
